Therapeutic Coaching/a Soul Illumination Session is a healing modality in which Pam works with her clients to understand themselves on a soul level and to take action from that place of knowing. Her intent is to support you to live from the center of your Soul. She uses her decades of expertise, multiple modalities of training, plus her intuition + creativity to support you to live the life you desire.

By choosing to become a Therapeutic Coaching client of Pam Kowal, MS, LMFT Emeritus, I understand that she is not operating as a licensed mental health therapist. I am aware that Pam requires coaching clients to have a mental health therapist on their team for mental health issues, disorders or other risks that are not in the realm of coaching and may come up in the course of our work together. I understand that Pam is not able to take insurance, offer diagnoses, or provide any licensed therapy services.

I understand I am responsible for all payments at the time of service:
